**“The standard for excellence in children’s books” — *Forbes***

Founded in England in 1992, we are an award-winning, independent children’s publisher based in Concord, MA, with a mission to share stories, connect families and inspire children. In 2017, we were named by Forbes as one of the 25 Best Small Companies in America.

We have created more than 700 books, spoken word stories, music, animations, characters, puzzles and games that open children’s hearts and minds to our wonderfully diverse world. Our first app, Barefoot World Atlas, has had 4 million+ downloads and was selected by Apple as one of their top 10 apps of all time. Our YouTube channel has over 250 million views. A big part of our work is to support literacy initiatives across the globe and in 2019, in partnership with Books for Africa, we shipped 300K books to HIV / AIDS orphans and their caregivers in Mozambique.

However, our proudest accomplishment is to have put over 25 million books into the hands of children around the world. Renowned for our pioneering approach to creating and marketing high-quality, diverse and inclusive children’s books, as well as our colorful, collaborative and fun working culture, we have laid the foundations to grow Barefoot into a timeless global family brand for the very best children’s content.
